Headline: Balancing Airdrie Students Spaces Decision

Rocky View Schools recently shared the Board of Trustees' [Balancing Airdrie Student Spaces](#) decision to improve utilizations through grade configuration changes and some attendance area changes effective September, 2025. For our school, this means grades stay PreK – 5. Prairie Springs students will be re-designated from Windsong Heights to Cooper's Crossing beginning in the 2025/26 school year. As well, starting in the 2025/26 school year, Cooper's Crossing will feed into Muriel Clayton for Grades 6 – 9, rather than Northcott Prairie.

More information is available on [RVSEngage](#). We understand you may have questions about these changes. Planning and communication with families for these transitions will take place throughout the next school year. While school staff do not have further details at this time, we will share new information as plans are confirmed. Thank you for your understanding.

Cooper's Crossing has a new school website! The new site will go live at some point before the end of today! We are excited for the new look!

The new URL is: cooperscrossing.rockyview.ab.ca

The new school email is: cooperscrossing@rockyview.ab.ca

Last Week, Cooper's teams participated in the Battle of the Books Divisional Battle. We are thrilled to share the results with you! Drum roll please...

Out of 25 teams across the division, 2 of our teams placed in the TOP 5!

- Placing 3rd overall – congratulations to Royal Readers!
- Fantastic Six Placed 4th overall – AMAZING WORK!

Honourable mention goes to Pages of Fire – thank you for your help and participation during the final battle!

We are so proud of the reading, teamwork and dedication you have shown over the last three months!

On May 2, we look forward to welcoming The Ned Show to kick off our mental health week! Check out this [link](#) to learn more about this "pay-it-forward" assembly that teaches about mental health strategies with the support of **Yo-Yos!**

Our yearbook cover continues! Students are encouraged to capture the spirit of Cooper's in words and amazing artwork. Entries must be completed on paper 8.5" by 11" (**portrait orientation**) and hand in their entry to their teacher by May 8th. We are looking forward to seeing all the amazing work!

Our April Character Trait is **Creativity**

Creativity is

Our Grade 2 classes and 3R just completed a free, 16 week coding program through **Junior Achievement Southern Alberta** called, **Robogarden Playground**. This has been an excellent opportunity for students to practice their problem solving, critical thinking, and block coding skills in their homerooms and their digital literacy classes. We have been very impressed with their grit and enthusiasm to participate in this cool STEM program. Well done, students! If your child has not yet shown you their progress on the journeys, please ask them to log in before Friday at midnight to show their skills prior to our access being completed. Thanks to Ms. Rushinsky for finding this opportunity through Junior Achievement.

Fundraising Efforts

Our School Council and Society supported **Neon Nights Dance** last week was a big success! Thank-you to our faithful members and parent volunteers for making this fun event happen!

Please come on out and join us on May 15th at 6:00 p.m. in the staffroom to learn about the great work our parent volunteers do to support Cooper's Crossing School and students.

Order each week by Friday at midnight using this link:
