SHARE YOUR THOUGHTS ON SCHOOL CALENDARS

2025/26 & 2026/27 School Calendar Survey

Rocky View Schools (RVS) invites you to give feedback regarding the proposed school calendars for the 2025/26 and 2026/27 school years. Beginning in 2025/26, RVS is considering the introduction of a fall break in November to support staff and student well-being. The survey includes questions about the impact a break in November might have for you and your family. It is important to note RVS is legally required to include a minimum number of school days, professional learning days and all statutory holidays into every school year calendar. To learn more about the options being presented and to provide feedback, visit [RVSEngage](#). The survey will be open

APEGA Science Olympics Silver Medal!

Several of our Grade 4 and 5 students competed in the APEGA Science Olympics at the Olympic Oval last weekend. They have been working for months on their prototype for a raccoon proof trash can. The prototype passed the test! As well, the students completed two mystery challenges that involved collaboration, problem solving, critical thinking, as well as science, technology, engineering, and math skills (STEM). Well done, Cooper's Crossing! Thanks to Ms. Van Vliet for making this happen! Also, thanks to Grandpa Larry for coming out to help with his power tools! The students represented our school with pride!

Cooper's Crossing School Parent Feedback Survey May, 2024

May 29, 2024

Thank-you for taking the time to provide your insights about our school and our efforts to support our students and families. We are always striving for improvement as we work to make Cooper's Crossing a fantastic learning community!

Cooper's Crossing School would love your feedback! It is that time of year when we are seeking your thoughts on the great things that are happening at our school and how we might improve. If you have a few minutes to complete a 3 question survey for us, please click on [this link](#). Your feedback helps us to frame our goals for next year as we work to make our school even better!

Regrettably, we have made the decision to hold off on our carnival until next year as we do not have sufficient volunteers to run the event this year. Thank-you to those people who have reached out.

If you would like to participate in next year's carnival in a volunteer capacity or help by running a station on the day of, we will be striking a committee next January, 2025. Please contact us at:

cooperscrossingcarnival@gmail.com

to indicate your interest in helping in any capacity. Thank-you for considering getting involved.

Our May Character Trait is Social Emotional Intelligence.

Students are practicing this trait these days by playing collaboratively at recess and by working together to solve conflicts. We encourage students to keep using their hearts and minds to make good choices.

RVS Ward
Boundary Review

RVS Seeks Public Feedback on Ward Boundaries

The Board of Trustees invites you to give feedback regarding Rocky View Schools' ward boundaries. A ward is a local area within the school division that a trustee represents. As some of our communities have changed significantly since the last board boundary change in 2017, the board is engaging in a review to ensure that effective and equitable representation is maintained. We invite you to take part in our review process by attending a public meeting and/or providing feedback. To learn more about the options being presented for feedback, public meeting times/locations, and provide feedback visit [RVSEngage](https://www.rvschools.ca/RVSEngage).
