Help Wanted

pm and interested in working alongside the amazing staff and students here at Cooper's Crossing, please email assistant principal, Jonathan Klinger (jklinger@rockyview.ab.ca).

Our annual volunteer appreciation event was a huge success! We want to thank all of our amazing volunteers who help to make Cooper's Crossing the amazing community it is. A special thanks to our grade four and five leaders who helped greet and serve our guests, the students that made beautiful artwork for the gym and our Kindergarten and grade three students for providing the entertainment.

FinS Program

Grade 2C and 2B concluded this year's FinS program by visiting Dewitt's Pond and releasing the trout they have been raising. What a great opportunity this has been for the whole school as many classes stopped by to visit and learn about the fish. **A huge shout out to our fundraising society whose generosity helped bring this program to Cooper's.**

SHARE YOUR THOUGHTS ON SCHOOL CALENDARS

2025/26 & 2026/27 School Calendar Survey

Rocky View Schools (RVS) invites you to give feedback regarding the proposed school calendars for the 2025/26 and 2026/27 school years. Beginning in 2025/26, RVS is considering the introduction of a fall break in November to support staff and student well-being. The survey includes questions about the impact a break in November

legally required to include a minimum number of school days, professional learning days and all statutory holidays into every school year calendar. To learn more about the options being presented and to provide feedback, visit [RVSEngage](#). The survey will be open beginning May 20 and close June 17 at 4 p.m. The Board anticipates making a decision next fall. Thank you for your time and input.

RVS Ward Boundary Review

RVS Seeks Public Feedback on Ward Boundaries

The Board of Trustees invites you to give feedback regarding Rocky View Schools' ward boundaries. A ward is a local area within the school division that a trustee represents. As some of our communities have changed significantly since the last board boundary change in 2017, the board is engaging in a review to ensure that effective and equitable representation is maintained. We invite you to take part in our review process by attending a public meeting and/or providing feedback. To learn more about the options being presented for feedback, public meeting times/locations, and provide feedback visit [RVSEngage](#).

The time you take to drop-off your Save-On receipts in our office really makes a difference! Thank-you so much for contributing to this fundraiser. We appreciate our community connection with our local Save-On Foods store!
