RVS is pleased to announce that a new feature has been added to PowerSchool! This feature allows learners and caregivers to view outcome grades attached to specific assignments **directly from the app**. Now, with this streamlined access, it's easier than ever to engage with student progress. By eliminating barriers to information, this update improves transparency and enhances our ability to communicate student learning in a timely and meaningful way.

Click on the link below, then select the PowerSchool Parent/Guardian Guides menu, and lastly, click on the NEW FEATURE link for all the details.

Quest Theatre Snow White by Greg Banks

We loved the live theatre performance from Quest Theatre this morning! It was the last show of this tour and our Cooper's Crossing students were an excellent audience. With one stage manager and two actors, Quest performed a great interpretation of Snow White. Students enjoyed the use of props, sound effects, and the fact that the two actors played many roles so convincingly. Well done!
