annual fundraiser. Throughout the month of January, please bring non-perishable food donations to Santa's Sleigh outside of the gym. We will also happily accept cash donations at the front office. The Airdrie Food Bank is currently serving over 800 families a month, and in need of donations to help keep local families full! Most needed items are beans, boxed cereal, canned fruit and vegetables, condiments and dry pasta.

## January Character Trait - Curiosity

### What do you wonder about?

This month we are learning about curiosity. Be sure to have conversations at home about what your family is curious about... it's a great way to spark creativity and imagination. We will be having our monthly character trait assembly next week, led by 5L, to learn more about curiosity.

### Canada's Dynamic Communities - Saskatoon, by 2F

2F posted beautiful mixed-media paintings reflecting their work in social studies.

We built this piece of art by learning about the landforms, city, weather, wildlife, and history of Saskatoon. After each lesson we drew, painted, or added another piece to create the full picture. Just like learning...as we build our understanding through layers we create a larger picture that becomes beautiful.
