RVS Pre-Kindergarten 2025-26 Open Houses

Rocky View Schools' Pre-Kindergarten Program (Pre-K) offers developmentally appropriate programming within a welcoming, inclusive environment for children ages 3 - 5 years. Our child-centered, play-based approach aims to provide engaging experiences that reflect the developmental needs of all children building on their natural curiosity.

In partnership with families, learning is designed to nurture the whole child within an accessible and supportive environment. Children with developmental, medical, or social-emotional needs may receive therapeutic services from relevant members of the learning support team.

For more information regarding your application or the Open House, contact Trish Cull:

Real-time tracking with new bus app

RVS is excited to be transitioning to a new tool, WheresTheBus, to provide parents/guardians and schools with timely arrival and location information for our fleet of contracted buses. WheresTheBus is free, secure and easy to use. This tool uses GPS and tablets installed on school buses to track and report the real-time location of the bus and estimated arrival times, allowing you to check where the bus is and see when the bus arrives at your child's stop and at school. It is free and you may opt-out of the program at any time.

Please note, due to bus shortages and route substitutions, there may be occasions where tracking on your bus is not up-to-date. RVS is working with our contractors to ensure the accuracy of our WheresTheBus data.

WheresTheBus will replace the current Bus Status App, which will no longer be available effective March 6, 2025.

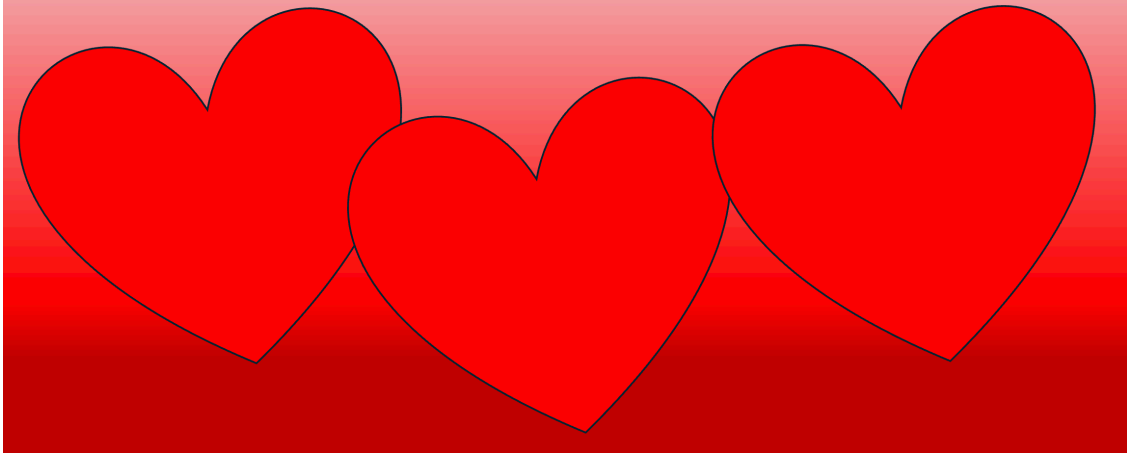

To create your account, you will need your student's PowerSchool number, which can be found on PowerSchool or by contacting your school. More information about WheresTheBus including how to create your account, use the app and frequently asked questions is available on the [RVS website](#).

Author/Illustrator, Carolyn Fisher visited our Grade 4 and 5 classes for a two day artist residency this past week. This is another great experience subsidized by parent fundraising through our Friends of Cooper's Crossing Society. Students learned about the illustration and storyboarding process or created self-portraits. Ms. Fisher also did a live, on-the-spot portrait demo of two students in the audience and gifted each class with a book! Thanks to Ms. Van Vliet for organizing this cool experience!

Order each week by Friday at midnight using this link:

www.healthyhunger.ca

When you shop at our local Save On Foods at Cooper's Blvd, please consider keeping your receipts and sending them into our office for collection. Our school receives 5% of each receipt total! This is a very valuable and appreciated fundraiser and Save-On Foods is an important community partner for us. Thank-you so much!
