Make a difference with Jump

Jump Rope for Heart has been promoting kids' heart and brain health across Canada for more than 40 years! Our campaign begins on April 1st!

For decades, kids have learned the importance of getting active and practicing healthy habits to build a foundation for a healthy life. And with the generous support of our communities and partners, all funds raised support Heart & Stroke's mission to beat heart disease and stroke by funding life-saving research and medical breakthroughs that will help keep families together.

Seuss was a hit!

Thank-you to parents and extended family for coming out to watch the presentations put on by 2CP and 2B this morning. It is incredible to consider that these students have just learned to read in the past two years. Well done!

Round Two of Student Clubs Are Running!
