We would greatly appreciate you taking time to complete this survey to provide us with valuable feedback to inform next year's School Education Plan, our school goals, and new initiatives. Parent input helps us to continue to make Cooper's Crossing a great school and helps us to develop school improvements. The [survey](#) closes on April 17th. Please complete it online at this [link](#).

Grade 3 Students Geologist Visit

Grade 3 students enjoyed a hands-on learning experience for their science unit on Earth Systems with local geologist, Greg Pavan. Greg works with The Alberta Science Network. Mr. Pavan brought many rocks, minerals and fossil samples to share with the students. Students were very interested in learning about geology and earth systems.
