### **Literacy and Numeracy Reassessments for Grades 1-3**

Some students in Grades 1-3 who have been receiving intervention support in literacy and/or numeracy will be reassessed on one or more [provincial assessments](#) in late May to early June.

Please note:

1. **Not all students** will be reassessed.
2. **Kindergarten students** are not required to be reassessed.
3. Final data will be returned to RVS in August; your child's next-year teacher will have access to the information to make informed decisions about intervention supports needed.

Thank you for your understanding and support in our ongoing commitment to support student learning. If you are unsure if your child is being reassessed please reach out to their teacher.
