Cooper's Crossing School

2024/25 School Education Plan At-A-Glance

This Year We Worked On:

- Raising our numeracy achievement by 5%.
- Increasing student's awareness and appreciation of their role as members of their community.
- Fostering a safe, healthy, and inclusive environment for all students.

You Can Help By:

- Working with your child at home on basic math concepts through games or other tools provided by the teacher.
- Asking your child about how they think school activities are impacting their community in a positive way.

Next Year You Can Look Forward To:

- Continuing to focus on literacy and numeracy.
- Further implementation of our positive behaviour supports and interventions (Be Safe, Be Kind, Be Responsible).
- Increasing our connection to the community.

Information is based on our 2024/25 school education plan.
