Attention Future Muriel Clayton Students

Register now for 2025/26 Bus Transportation

The deadline for early transportation registration is approaching. Families who register for transportation for the 2025/26 school year before June 30 will receive a discount. Fees for transportation have increased for the 2025/26 school year and this discount can offset some of the cost for your family.

Please visit the [Registration and Fee Payment webpage](#) for step-by-step registration instructions. Registration completed before June 30 will receive a discount of \$40 for each of the first two students in your family and \$20 off for each additional student. A minimum payment of 50 per cent is due at registration. Fee and waiver information is available on the [RVS website](#).

Register as soon as possible to ensure your child is assigned to a bus route for the start of school in September. To guarantee service for the first day of school, your application must be received before Aug. 1. Students registered

It's Field Trip Season!

We will be monitoring the air quality and will make a decision whether or not field trips will go ahead the morning of the trip. Thanks for your patience as we balance student safety with having our students experience these fun events.

Also, be sure to connect with your child's teacher to ensure your child is bringing with them all the items they need for the big day - food, sunscreen, etc.

Muriel Clayton Band Visit

Our Grade 5 students had a special performance from the Muriel Clayton grade 8 band today. The music was amazing and our students got to see how much fun being part of a band program can be!

Breaking News!

Our inclusive playground equipment project is complete! ALL of our students have enjoyed exploring each piece and are having a blast. A huge thank you to Total Directional Services, Baytex Energy, and the Friends of Cooper's Crossing Society for making this project a reality.
