Thank you for another great week at Cooper's Crossing! We held our first fire evacuation drill. The students did a great job with exiting the building quietly

The School Council and Friends of Cooper's Society held their first meetings for the school year. Thank you to everyone who attended as we truly appreciate your time and effort. School Council will be supporting the school with an additional lunch supervisor. As well, they approved up to \$750 for the Cooper's Cares Fund, which will be used as needed to support students and families who are going through a difficult time this school year. Thank you! The Society also voted to cover the cost of Raz Kids and Mathletics for those classes who will be using these programs through the year. Society will also be covering up to \$500 of field trip costs for each class. As well, Society will be giving the school \$500 to pay for some new recess equipment. Thank you all for your support as this will have a significant impact on all Cooper's students this year! Please stay tuned for more information about this year's first Council supported event, the Halloween Dance that will be held on October 24th. We can't wait!

Reminder to please send in your "Toonies for Terry" or donate through this link: <https://schools.terryfox.ca/CoopersCrossingSchool>

Our goal this year is to raise \$1000 for the Terry Fox Foundation and we are currently at approximately \$200. The school run will be held on Friday, September 19th.

The Great Little Coupon Book Fundraising Update!

Thank you to everyone who has supported our first fundraiser of the year so far! In just one week, we've already reached **9.8% of our schoolwide goal** of selling 500 coupon books. Our **current top seller has sold 6 books** - way to go! 🎉

Each \$15 coupon book provides great local savings, with **\$7.50 from every book sold** directly supporting our school. The savings are so good, you'll want one to keep in every car! This year's funds will help us purchase new iPads for our students as several of the current ones need to be decommissioned later this year.

 Fundraiser runs until **September 26, 2025**.

 Purchases can be made by e-transfer

to **cooperscrossingsociety@gmail.com** (include your child's name and class in the comments).

Let's keep the momentum going! On behalf of your fundraising committee,
thank you for supporting our students.

A huge thank you to Davis Chev for a generous donation to Cooper's Crossing School of **\$500**. These funds will be used to acknowledge and recognize students who go above this year demonstrating our character traits or how they are being safe, kind and responsible. Thanks Davis Chev!

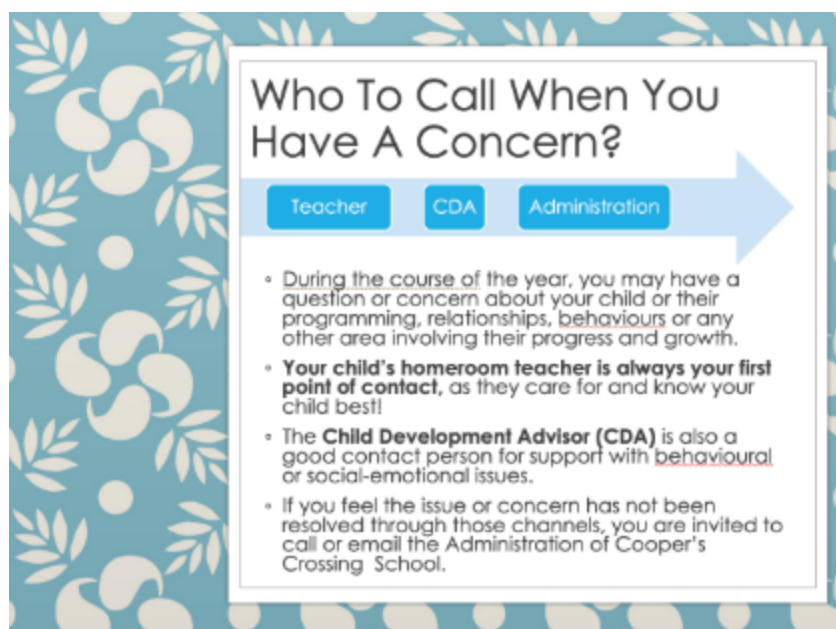

🍴 Cutlery Reminder for Students 🍴

Please remember to send cutlery with your child if their snack or lunch requires it. Unfortunately, we are unable to provide extra utensils at school. We really appreciate your help in keeping things running smoothly!

This is a friendly reminder to not park/block our neighbours driveways when dropping off or picking up your child. We value our neighbours and want to ensure they have the ability to leave their homes when needed. Thanks for being a good neighbour!

Responsible use of Personal Mobile Devices and Social Media in Schools

RVS remains committed to fostering focused and engaging learning environments. By establishing clear rules for the responsible use of cell phones, personal mobile devices and social media in schools we can work

direction in all RVS schools for students and families.

Our teachers and administration team will continue to work with students to help them understand the expectations of personal mobile devices and social media at school. Please take time to read the AP and discuss it with your child(ren).

At Cooper's Crossing School, students are encouraged to leave personal mobile devices at home. Should they need to bring their device to school, it will be stored in the student's backpack during the school day. Students will have the opportunity to check for messages from home during the homeroom period at the end of the day. Please direct all communication and queries to the front office during the day.

We appreciate your support and flexibility.

Rocky View School's Emergency Response Information

During any emergency, our first priority is the safety of our students and staff. In order to provide an effective response to any school crisis, Rocky View Schools has developed an Emergency Response Plan. The Plan works in conjunction with other local emergency plans, since a school emergency could require the involvement of numerous agencies. The plans created for individual schools, along with the Division Plan, are reviewed annually and after an emergency occurs. Click [here](#) for more information.

As we get underway this school year, it is important that parents have access to PowerSchool. Please click [here](#) for more information regarding how

Message to Parents from RCMP

As we begin a new school year, student safety remains our top priority. The Airdrie RCMP, in partnership with local schools, will be monitoring school zones and conducting traffic enforcement throughout the year. Parents and guardians are reminded to reduce speed, avoid distracted driving, use designated drop-off areas, and obey all traffic signage. Enforcement actions, including tickets, will be issued when necessary. By working together, we can ensure a safe environment for every child.

Thank you for your ongoing partnership and commitment to keeping our students safe.

Our Healthy Hunger hot lunch program has begun for the 2025-2026 school year for all grade 1-5 students! Thanks to our dedicated parent volunteer, Suzanne, the menus are organized and you can begin placing your orders. **The first Healthy Hunger day will be Wednesday, September 17th from Papa Murphy's.** Please ensure you place your order each week before Friday at midnight for your child, or children, to receive their hot meals the following Wednesday.

Ordering Link: www.healthyhunger.ca

How it works:

- 1) Sign up for a free account
- 2) Add your children to their school, grade, and class
- 3) View the available menus and place your orders
- 4) Meals will be delivered to classrooms on Wednesdays at lunch

This hot lunch program is not only a break from making your child's lunch once a week, but students love it, and it is a fundraiser for our Cooper's Crossing School Council. Fundraisers benefit students in so many ways each year. If your child is absent on the day of Healthy Hunger, please notify the office if you would like the meal saved for the next day or for pick-up. Otherwise, it will be donated to another child.

Society and Council meetings provide opportunities for consultation and support for the larger school community)

When you shop at our local Save On Foods at Cooper's Blvd, please consider keeping your receipts and sending them into our office for collection. Our school receives 5% of each receipt total! This is a very valuable and appreciated fundraiser and Save-On Foods is an important community partner for us. Thank-you so much!
