mornings so please make sure you send your child to school in layers.

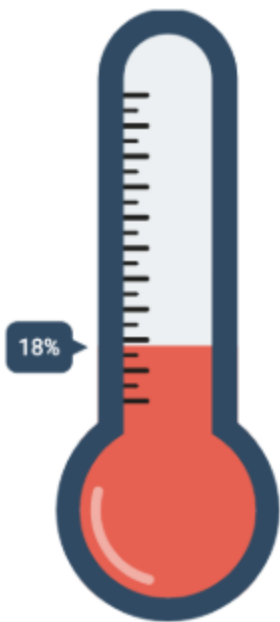

We held our Terry Fox Run this morning, which was once again a great success! We started our morning with a whole-school assembly where we learned some more about Terry Fox and what our fundraising money is going towards. On that note, a huge well done and thank you to all of the Cooper's Crossing community! With your support, we are very close to hitting our fundraising goal of \$1000. We will announce our grand total on Monday...fingers crossed! If we do hit our target, the students will get to enjoy a small treat to celebrate and thank them for their effort in both fundraising and running.

Next week we will be recognizing the National Day for Truth and Reconciliation. On Friday, September 26th, we ask that all students wear orange to recognize this important day.

Reminder there is no school on Monday, September 29th as it is a professional learning day. As well, there is no school on September 30th, as it is the National Day for Truth and Reconciliation.

Today was our annual Terry Fox Run. Cooper's Crossing students did a great job of showing grit (one of our character traits) by running, jogging or walking during their time outside. Great job, Cooper's!

## Fundraising Update!

Thank you to everyone who has supported our first fundraiser of the year so far! We're now at **18% of our school wide goal** of selling 500 coupon books. 🎉 Our current top seller has sold **8 books** - amazing job!

Sales have slowed a little, so let's rally together and encourage everyone to participate as we push toward our 500 book goal. Remember, **all funds raised go directly to benefit the students of Cooper's Crossing School**, helping us to offset the cost of replacing 44 iPads that are being decommissioned this year.

 Fundraiser runs until **September 26, 2025**

 Purchases can be made by e-transfer to **cooperscrossingsociety@gmail.com** (include your child's name and class in the comments)

🏆 Top student seller wins a **\$50 gift card** & the top class earns an **ice cream party**

Let's keep the momentum going—every book sold makes a difference for our students!

We still have a small number of 2024 - 2025 yearbooks on sale. Visit school cash today to get your copy!

## Important Notice- Responding to Behaviour and Violent Risk Assessment

The safety and well-being of our students is paramount for Cooper's Crossing School and the RockyView School division. As part of our commitment to maintaining a safe, caring, and inclusive environment, we will collaborate

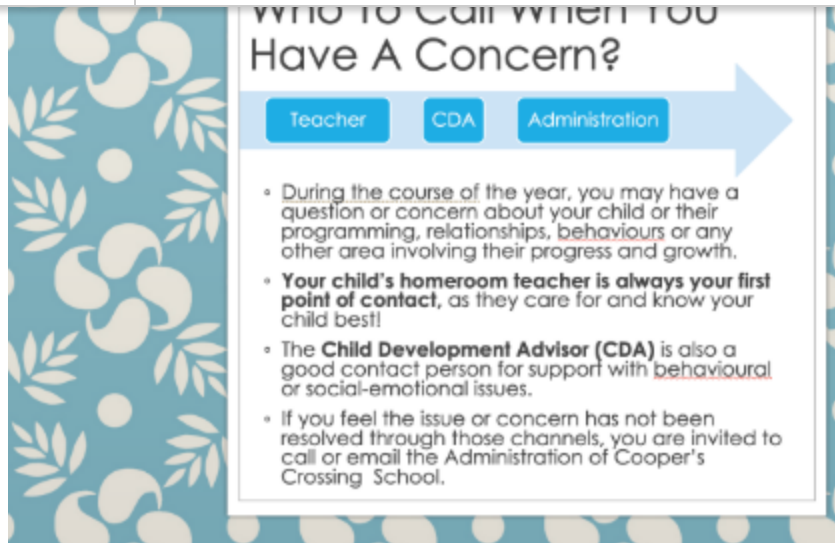

support our community.

We invite you to read through the RockyView School division's admin procedure [AP351-Violent Threat Risk Assessment/Assessment of Risk to Self and Others](#), which outlines how we respond to threats and risks to our school community. As well, please read through the [RVS Responding to Behaviour Guidelines and Fair Notice](#) for information on how we as a school will partner with parents to manage behaviour and support students within our school.

This is a friendly reminder to not park/block our neighbours driveways when dropping off or picking up your child. We value our neighbours and want to ensure they have the ability to leave their homes when needed. Thanks for being a good neighbour!

## Responsible use of Personal Mobile Devices and Social Media in Schools

RVS remains committed to fostering focused and engaging learning environments. By establishing clear rules for the responsible use of cell phones, personal mobile devices and social media in schools we can work together to reduce distractions and maximize valuable instructional time.

The [RVS Administrative Procedure](#) put in place last year provides clear direction in all RVS schools for students and families.

Our teachers and administration team will continue to work with students to help them understand the expectations of personal mobile devices and social media at school. Please take time to read the AP and discuss it with your child(ren).

At Cooper's Crossing School, students are encouraged to leave personal mobile devices at home. Should they need to bring their device to school, it will be stored in the student's backpack during the school day. Students will have the opportunity to check for messages from home during the homeroom period at the end of the day. Please direct all communication and queries to the front office during the day.

We appreciate your support and flexibility.

## Response Information

During any emergency, our first priority is the safety of our students and staff. In order to provide an effective response to any school crisis, Rocky View Schools has developed an Emergency Response Plan. The Plan works in conjunction with other local emergency plans, since a school emergency could require the involvement of numerous agencies. The plans created for individual schools, along with the Division Plan, are reviewed annually and after an emergency occurs. Click [here](#) for more information.

As we get underway this school year, it is important that parents have access to PowerSchool. Please click [here](#) for more information regarding how create/access your account.

Thank you to all who have supported our Healthy Hunger program. This is a fantastic fundraiser for our school. Please ensure you place your order each week before Friday at midnight for your child, or children, to receive their hot meals the following Wednesday.
